

Michael Keinert

Chairman of the Executive Board, Pfisterer Holding AG

Keynote Industry

Energy supply – in a major transition

Tuesday, 29th November 2016, 17:40 – 18:00 h

Chairman of the Executive Board of PFISTERER Holding AG and Managing Director of PFISTERER Kontaktsysteme GmbH since 2013.

Studied business administration at Saarland University.

Michael Keinert began his career in an international auditing firm before switching to a mid-sized pharmaceutical company in 1992, where he remained until 1997 in the post of Chief Financial Officer. He then became the Commercial Managing Director of two Deutsche Telekom associated companies.

In 2001 he joined an international consultants firm to work in the areas of Private Equity and Restructuring. In 2007 he became sole Managing Director of a German mid-sized firm developing and producing high-performance filtration systems for various applications and international clients.
